

# A Letter to Grandma *by Kardos*

Dear Grandma and Grandpa,

How are you? I want to tell you about our family trip next weekend.

On Saturday, I am going to Hong Kong Disneyland. It's on Lantau Island. I'll go there by MTR because there is a Hong Kong Disneyland Resort line. I can go on the exciting rides and look at the magnificent views. At night, I can even enjoy the wonderful fireworks. I'm going to buy a lot of souvenirs too.

On Sunday, I will go to Hong Kong Madame Tussauds at 128 Peak Road. I will go there by Peak Tram. I can take photos with lifelike wax figures of celebrities and participate in various immersive experiences, like 4D movies, interactive music zones, and themed rooms. After that, I'll go to The Peak Tower nearby. I can also go there by Peak Tram too. I am going to wait until evening to watch the sunset. It's going to be beautiful. This will be the end of my family trip in Hong Kong.

I can't wait! Wish you were here!

With love,  
Leon
